

cost of £135 + VAT prior to installation. If there is an issue with the wiring, to avoid the costly expense of digging up the underground wiring, a solution is to place the cameras on the exterior of the building. Councillors expressed concerns on placing cameras on the building as these are easily tampered with. One solution suggested was to put a camera atop a scaffolding pole. Should there be any issues with the cabling, this would be a feasible solution and will be investigated if required.

059/21/PR CORRESPONDENCE

1. Eastleigh Police Partnership Update circulated to all Councillor's. **To Note.**
2. December's Crime Prevention Bulletin circulated to all Councillor's. **To Note.**
3. Third Party Reporting Centre's (TPRC's). Email received from PCSO Steve Hill with initial contact looking at the prospect of setting up TPRC's at six beat locations. Hedge End Police has responsibility for the most suitable areas, and highlighted are parish and town councils.

What is a Third Party Reporting Centre?

It is widely accepted that hate crimes are under-reported across all strands of policing. Not all victims are comfortable with reporting their experiences directly to the police. The reasons for this may include the following:

- Victims find visiting police stations intimidating or daunting
- Victims think the police won't believe them or take them seriously
- Individuals are unaware they are victims of hate crimes
- Victims are not aware of alternative ways to report hate crimes
- Lack of support to help victims make a report, e.g. interpreters
- Victims fear being outed in terms of their sexuality or disability

Third Party Reporting Centres (TPRCs) overcome these barriers by providing an alternative to directly reporting to the police, without which a number of hate incidents and crimes would never be reported or recorded. Commonly known as the 3Rs, TPRCs have three main functions:

- A place to *report* hate crimes
- A place to help *record* hate crimes
- A place to help support, signpost and *refer* victims of hate crimes

TPRCs provide an alternative way to report a hate crime, give confidential advice, help you report it, and support you along the way. You can remain anonymous if you wish, and you don't need to have contact with the police if you don't want to.

The Committee were asked their thoughts on the Parish Centre being used as a TPRC. Cllrs were unhappy at the potential use of Parish staff in this role and associated security risks and responsibilities. Deputy Clerk will be liaising with the local PCSO on this initiative and will bring more information to the next meeting of this committee.

4. The current EBC Local Area Manager has been promoted and will start her new role from 1st April. A replacement has been recruited, this person is currently working as a Principal Planning Officer for EBC. **To Note.**
5. Clerk gave information on an EBC initiative to develop an action plan for town centre recovery from the Covid-19 outbreak. This aims to help secure the long-term future and viability of local businesses in West End Village Centre by aligning the Action Plan to West End's identity and sense of place. Clerk met with the representative at EBC who is leading the project. Aim is to make sure there is a constant footfall in village and town centres and how they get people out and shopping locally. The SLA needs to be signed by West End Parish Council. EBC only ask for advice and guidance. No other obligation on our side. The project is entirely funded by the European Union and Central Government.

Café Manager has also requested the purchase of a pastie oven for use to keep sausage rolls, pasties, jacket potatoes warm at a cost of £500. This will help with takeaway orders. Councillors unanimously agreed to purchase the above items.

Re-launched the Hatch Café Facebook page – 50% increase in Page ‘likes’ since the middle of December. The Committee were asked their thoughts on changing the supplier to a local meat producer, with a re-launch: “The Hatch Café is proud to support local businesses.” The supplier has not yet been approached. This will be brought up again at the next meeting of this committee. Cllrs also suggested that a local fruit and vegetable supplier be looked into.

EBC Health & Safety Executive recently undertook a spot check phone call to go through café Covid procedures. Cleaning procedures, cleaning, what hand sanitation in place, what posters and one way system and shielding from staff . No further action is needed.

Previously agreed to delay refurbishment until next financial year, with quotes to be obtained. Clerk will ask the new LAM if some of the Parish funds can be used for the café refurbishment.
